Pearson LCCI Level 2 Diploma in Bookkeeping & Accounting (Preparatory Course)

This qualification is suitable for students who work or wish to work in areas of business that involve the recording of financial transactions. This course also aims to give students opportunity to gain the knowledge, understanding and skills needed to integrate technology into their work; increasing students' employability skills in a variety of roles. It also provides the key knowledge and understanding of the role of cost accounting in business and also introduces students to the principle of decision making for Management Accounting
